The Glo.Cal BtoB Event
Boosting Beauty Innovation

MakeUp in Los Angeles Postponed to December 9-10th 2021

Dear MakeUp in community member,

Unfortunately, due to the continual concerns and limitations with large industry gatherings linked to COVID-19, the **2021 edition of MakeUp in Los Angeles** will be postponed to **December 9th and 10th**. It will again be held concurrently with Luxe Pack Los Angeles, fostering luxury packaging suppliers.

The optimal success and safety of all stakeholders continue to be our main objective. The organization team will now redirect all developments and energy to an incredible gathering at the end of the year.

As the first Glo.Cal BtoB event boosting beauty innovation and gathering all the key actors of the skincare and makeup industries, MakeUp in will continue to guarantee the ideal conditions and this will not be compromised. Preparations for the December event are in full effect and we look forward to reopening the show doors later this year.

We will make sure you continue to be the first to know of all upcoming show developments. We sincerely thank you for the continuous support and look forward to bringing the community together once again.

Sincerely,

The MakeUp in team
