

MakeUp in Los Angeles is returning to its historical dates in February!

Dear MakeUp in community,

You have no idea how much we have missed you, and how eager we are to gathering you again in Los Angeles.

The Los Angeles Convention Center just offered us a last minute slot in February and we couldn't but take it!

Originally scheduled for December 9 and 10, 2021, MakeUp in Los Angeles 2021 is rescheduled to **February 23rd and 24th, 2022** at the LA Convention Center.

For this 2022 edition, MakeUp in Los Angeles, will once again bring together **key players in the skincare and makeup industries** for 2 days to co-create and give life to new lines and products, while bringing you an in- depth knowledge of the beauty market trends.

It will again be held concurrently with Luxe Pack Los Angeles, fostering luxury packaging suppliers.

The organization team concentrates its energy on building an incredible gathering in February, and we can already tell you there will be some great surprises!

We'll be back bigger in February 2022 with more exhibitors, more visitors and more business opportunities!

We are looking forward to seeing you next February in Los Angeles.
